Dear Mr. Hedberg:

Mr. Gayford DeArmond recently filed the enclosed Notice of Intent for work in T .41 S., R. 12 W., sec. 29. The NOI has been assigned the file number UT-047-92-03N. This is the same area the Dixie Resource Area has been selling rock out of for several years, so there is already an existing surface disturbance.

The proposal shows little additional surface disturbance, at least for the near future.

If you have any concerns about this operation, you need to notify us by April 1, 1992. If you have any questions, please contact Larry Gore at this office.

Sincerely,

Debbie J. Pietrzak
Area Manager
